

Regulations of Full-time Graduate Student Scholarship Yonsei University Graduate School of Medicine (Wonju)

Revised 2019.6.

Article 1 (Objective)

This regulation states the principles of appointment of full-time graduate students and scholarship. All the principles will be effective in the boundaries of regulations stated by internal regulations of Yonsei University Graduate School and Yonsei University Graduate School of Medicine(Wonju).

Article 2 (Faculty Eligibility)

Faculty working in Wonju College of Medicine as associate professors or higher level, and assistant professors with doctorate degree may request full-time graduate students.

Article 3 (Application)

- ①Submit "Full-time Graduate Student Application" to the Department of Research and Graduate School Affairs during admissions period.
- ②Applicants are required to submit a copy of certified English score (score valid the last 2 years will be effective) **during admissions period.**

Article 4 (Selection)

- ①The Graduate School Committee may set and submit a priority list of full-time graduate students to the University before regular admission process.
- ②The University may select final awardees prioritizing the applicants recommended by the Graduate School Committee.
- ③Full-time international students must have National Health Insurance during their stay in graduate school.
- ④Full-time international students are required to submit at least one official English score (minimum score for qualification: TOEFL PBT 585, IBT 95, TOEIC 830, IELTS 6) to qualify for the full-coverage of scholarship including living expense. The Scholarship will not be awarded until the student submits the required official English score and there is no retroactive support.
- ⑤**Living expenses will be provided only to the students enrolled in Dept of Biomedical Science and the Biomedical Science Track in Dept. of Medicine as a doctoral or joint degree program.**
- English Test Score Report for Scholarship Award

Degree	TOEIC Standard	From 1 st to 4 th Semester	From 5 st to 6 th Semester	From 7 st to 8 th Semester
Master's	750 or higher	Entrance & Tuition Fee	No scholarship support	
Doctoral	Between 750 and 830	Entrance & Tuition Fee	12% of Tuition Fee	No scholarship support
	830 or higher	Entrance & Tuition Fee, Living expense	12% of Tuition Fee, Living expense	
Joint	Between 750 and 830	Entrance & Tuition Fee	Tuition Fee	12% of Tuition Fee
	830 or higher	Entrance & Tuition Fee, Living expense	Tuition Fee & Living expense	12% of Tuition Fee & Living expense

Article 5 (Award)

- ①Full tuition (excluding the admission and miscellaneous fees) will be awarded during his/her full-time registration (masters degree: 4 semesters, doctoral degree: 6 semesters, joint degree: 8 semesters). International students will be provided with a certain amount of living expenses if needed. (Living expenses will not be subsidized for those who get support from the University Hospital.)
- ②International students who benefited from full-time scholarship from university or hospital have to get National Health Insurance and submit the receipt of payment to the Department of Research and Graduate School Affairs each semester. If they don't submit the receipt of payment, full-time scholarship can be discontinued.
- ③**Full-time international students with previous semester's GPA below 3.5 will not receive scholarship (including living expense).**

Article 6 (Responsibility and Requirement)

- ①The advisor that mentored a student who benefited full-time scholarship from this University must publish paper(s) related to student's thesis project(s) in the level of SCI(E) journal(s) within two years after student's graduation. (Master's and Doctoral degree: minimum 1 article, joint degree: minimum 2 articles or 1 top 20% article). The students who enrolled in each course (master, doctoral, or joint degree) are required to publish at least one

first-authored paper with his/her advisor as corresponding author.

②The advisor is required to show reprint of publication or submit proof of his/her publication-to-be to the Department of Research and Graduate School Affairs on time.

③The advisor who fails to meet minimum publication requirements cannot take full-time graduate students for a period of time corresponding to the scholarship period of the previous trainee(s).

Article 7 (Withdrawal)

①The student and advisor are required to submit a“Withdrawal form” and describe the reason of withdrawal, if the graduate student withdraws from full-time scholarship

②If the reason of withdrawal is not appropriate or acceptable (will be determined by the Graduate School Committee), the advisor cannot take future students for a period of time corresponding to the scholarship period of the withdrawn trainee(s)

Article 8 (Scholarship Return) The students wishing to discontinue the joint degree program in order to acquire Master’s degree should return excess tuition fee(except living expensive) to the school according to the criteria for the payment of scholarships by course shown at the Article 4 when it is approved.

Article 9 (Time for award)

The scholarship shall be awarded in form of waiving tuition at every semester (the specific duration indicated elsewhere).

Supplementary

Article 1 Miscellaneous items not covered in this regulation shall be decided by the Graduate School Committee of Yonsei University Graduate School of Medicine (Wonju).

Article 2 (Implementation) This regulation shall be in effect from December 2002.

Article 3 (First revision) This regulation shall be in effect from March 2005.
