Trouble-Shooting and Technical Support

Trouble-shooting

- Check your Internet cable (UTP cable)
 - The picture above indicates that your PC is not “physically” connected to the network
 - Replace the Internet cable and test the new cable
 - Test connection with another PC to see if your PC’s LAN port works

Technical Support

- SK broadband Call Center : 1600-0108 (Daytime)
 - Call the number for a service call
 - Be ready to provide your building & room numbers with service code : 1’st Dorm (7316752578)
2’nd Dorm (7316752583)
- In-campus IT Helpdesk : 032-749-5755
(Nighttime 18:00 ~ 22:00)
